## SURVEYOR'S CERTIFICATE

This map represents the results of a survey commissioned by the City of Yuma to establish the corners of Blocks A,B,C,D, and E, of the Yuma Cemetery, the plat of which is recorded in Book 1 of Plats Page 29, Yuma County Records. The record dimensions of the recorded plat did not agree substantially with the actual field measurements. No evidence of previous monumentation could be located. Proportioning methods were attempted to allocate the discrepancies, but resulted in poor fits with the existing burials. The survey results represented hereon utilized record distances measured from the north and west, (because burials proceeded in that direction), with adjustments made to fit the existing burial lines as close as possible. Record street right-of-way widths have been maintained but some burial encroachments are recognized to still exist but have been minimized as much as possible.

I hereby certify that this map represents the best resolution possible of the applicable portions of the original Yuma Cemetery Plat with the existing burials in the interest of allowing the deceased to rest in peace.

City of Yuma Parks and Recreation

City of YUMA

On June 24, 1895, the United States government deeded 40 acres to the Village of Yuma for the sole purpose of providing a final resting place for its citizens.

Please join Yuma Councilmember Jerry Stuart, Carol Brooks of the Arizona Historical Society, and City of Yuma Administrator Greg Wilkinson as we recognize this sacred ground as the Yuma Pioneer Cemetery.

After the ceremony, the Yuma Genealogical Society has graciously offered to provide tours of the Yuma Pioneer Cemetery.

Please call 928-373-5243 for more information.
